Subject: 2151 East Santa Clara SBA Planning Commission Meeting

Jerry,

Thank you for returning my call regarding the upcoming commission meeting for our Tenant. I wanted to follow the call with an email. We would like to request that SBA install a chain link fence under the Mono pine tower. We have requested this several times, however this project has gone through several City planners and it seems to have been over looked as a condition. I have discussed this previously with Vince Fregoso. Something simple with a gate that will secure the area against trash and vagrant activity. We feel that this is necessary for the safety of our customers and tenants. Any help would be appreciated. If you have any questions, please feel free to call me at the number below.

Thanks,

Lance Rego
