Planning Commission: The Santa Ana Planning Commission consists of seven residents of the city who are appointed by Santa Ana City Councilmembers. The Commission meets regularly on the second and fourth Monday of each month. Meetings begin at 5:30 p.m., unless otherwise noted.

The Planning Commission is responsible for providing input to the City Council on long-range planning. Santa Ana’s long-range planning goals are embodied in the General Plan. The General Plan and the amendments to it are reviewed by the Planning Commission and adopted by the City Council. The General Plan is implemented through the City’s development regulations.

The Planning Commission has the authority to approve or deny applications concerning development within the City. The category of applications includes Tentative Tract Maps, Conditional Use Permits, Minor Exceptions, and Variances. The Planning Commission also makes recommendations to the City Council on all applications for amendments to Zoning and the General Plan.

Agenda and Staff Reports - An agenda along with staff reports are provided for each Planning Commission meeting. The Planning Commission agenda and staff reports is posted at least 72 hours prior to the meeting on the City’s website at www.santa-ana.org/cc/city-meetings, and on the posting boards outside the Civic Center entrance, Council Chamber, and Library. If you have any questions regarding any item of business on the agenda for this meeting, or any of the staff reports or other documentation relating to any agenda item, please contact the Planning and Building Agency at 714-667-2732.

The items on the agenda are arranged in four categories:

1. **Consent Calendar:** These are relatively minor in nature, do not have any outstanding issues or concerns, and do not require a public hearing. All consent calendar items are considered by the Commission as one item and a single vote is taken for their approval, unless an item is pulled from the consent calendar for individual discussion. There is typically no Commission discussion of consent calendar items unless requested.
2. **Business Items:** Items in this category are general in nature and may require Commission action. Public input may be received at the request of the Commission.
3. **Public Hearings:** This category is for case applications that require, by law, a hearing open to public comment because of the discretionary nature of the request. Public hearings are formally conducted and public input/testimony is requested at a specific time. This is your opportunity to speak on the item(s) that concern you.
4. **Work Study Session:** Items in this category are generally items requiring discussion. No action will be taken.

Public Hearing Procedure: The Planning Commission will follow the following procedure for all items listed as public hearing items:

1. The Chair will ask for presentation of the staff report;
2. The Commission will have the opportunity to question staff in order to clarify any specific points;
3. The public hearing will be opened;
4. The applicant/ project representative will be allowed to make a presentation, for a maximum of 15 minutes.
5. Members of the audience will be allowed to speak, for a maximum of 3 minutes per speaker.
6. The applicant will be given an opportunity to respond to comments made by the audience;
7. The public hearing will be closed; and
8. Discussion of the proposal will return to the Commission with formal action taken to approve, conditionally approve, deny, or continue review of the application.

Appeals: The formal action by the Planning Commission regarding Conditional Use Permits, Variances, Tentative Tract and Parcel Maps, Minor Exceptions, Site Plan Review, and Public Convenience or Necessity Determinations are final and shall become effective after the ten-day appeal period (unless the City Council in compliance with section 41-643, 41-644 or 41-645 holds a public hearing on the matter, then the formal action will become effective on the day following the hearing and decision by the City Council). An appeal from the decision or requirement of the Planning Commission may be made by any interested party, individual, or group. The appeal must be filed with the Clerk of the Council, accompanied by the required filing fee, and a copy sent to the Planning Department, within ten days of the date of the Commission’s action, by 5:00 p.m. If the final day to appeal falls on a City Hall observed holiday or a day when City hall is closed, the final day to appeal shall be extended to the next day City Hall is open for public business. Please note: Under California Government Code Sec. 65009, if you challenge in court any of the matters on this agenda for which a public hearing is to be conducted, you may be limited to raising only those issues which you (or someone else) raised orally at the public hearing or in written correspondence received by the Planning Commission or City Council at or before the hearing.
