**Date:** Monday, August 03, 2020 3:51:37 PM

---

Dear Planning Commission,

I do not support Agenda Item #1. Reducing requirements for developers will bring more harm to tenants in Santa Ana.

Many residents are already experiencing extreme hardships regarding their inability to pay rent due to the pandemic. Reducing the requirements for developers, including fees, will only exacerbate housing inequities for tenants in Santa Ana, a largely renter and immigrant city.

Please do not vote in favor. Thank you.

Best,  
Yoselinda
