Subject: Planning Commission - 920 North Louise Street

Dear Ms. Bernal and Santa Ana Planning Commission members,

My name is Anthony Michalski and I live directly across from 920 North Louise Street <x-apple-data-detectors://0>. I am contacting you to express my support of the Clem-Koentopp House being approved for the Historic Preservation Agreement and placement/categorization in the Santa Ana Register of Historical Properties as Key.

The home is a beautiful example of the historic architecture and style that makes Santa Ana a wonderfully distinct city and its neighborhoods a spectacular place to live. The home is well preserved and cared for, has historical value and significance, and is one of the treasures of Washington Square neighborhood. For these reasons, I support this application and urge you to approve it.

Regards,

Anthony
