Hi Sarah,

How are you doing? Last night Jeanice and I realized the meeting was at 4pm, not sure how we missed that in the letter and email. Jeanice is still going to try and call in as we provided her cell phone number, but in case we can't I wanted to forward our statement to you. I hope this is ok.

Tim

The Historic Resources Commission,

I am writing to you with regards to having the home on 1805 North Louise Street designated as a historical property. I am in support of this location being considered historical because of the value it will bring to the community. Not only will it aesthetically enhance the neighborhood but enriching the historical history and culture of Santa Ana. We look forward to continuing our refurbishment and restoring our home and city to its original beauty and charm.

Thank you for your consideration,  
Jeanice Barker  
Home owner
